

For Hayashimo to tell you all some ghost stories—

Well now... It's the dead of night, so let's get this under-way...

A hot summer night makes for the perfect time...

Please Be Quiet at Night

by Nagomi

It was  
just the  
other day...  
I got the  
Admiral a  
late night  
snack...

As  
soon as  
I entered  
the room,  
I could feel  
an intense  
gaze upon  
me...

C'mon, let's  
do something  
else tonight...  
Who even  
wants to hear  
a bunch of  
lame old  
stories!

If anyone  
really does,  
they can  
meet up  
later...

**Don't  
inter-  
rupt me!  
Don't  
start!!**

This is  
an abso-  
lutely true  
story that I  
experienced  
myself.

...I became  
too fright-  
ened to  
utter a  
sound.

Teeth  
clenched,  
tears of blood  
screaming, "It"  
never took its  
eyes from the  
Admiral...

Until my  
eyes settled  
on a gap in  
the window  
curtains...  
And when I  
saw it...

However,  
the room  
was empty  
aside from  
the Admiral,  
Fubuki-  
san, and  
myself.

I could  
still feel the  
murderous intent  
of that gaze, and  
subconsciously  
surveyed the  
room...

Ahhh,  
the whites of  
her eyes were  
so fearsome

I thought  
that story was  
oddly grounded,  
but there's  
nothing ghostly  
about it!  
Kongou's alive  
and well~!

Yes...  
It was the  
English-born  
returnee...  
Whose ghost  
had come  
back engulfed  
in hateful  
jealousy...!

**HEY...  
ADMI-  
RAL...**

Though  
in its  
own way,  
that's  
still really  
scary!

\*Famous Japanese ghost story involving a woman counting plates

We're not tellin' stories anymore. Hayashimo. Quit acting scary.

Hya a-!?

I'm not! Some-thing's really there!!

You know if you tell scary stories, you'll sum-morn a real ghost, right-?

Quit talking like that or I really won't be able to go to the bathroom!

Come, let's get to bed.

I'm feeling really tired after get-ting so scared...

Akashi-san should have the lights fixed soon, so they'll come back on.

Sel... f...

Cut it out, or Akashimo's gonna pee her...

Yama-shiro... Your big secret is in a real pinch...

Ah, wait... It's me... Futou... Please help me...

Of all the luck... To fall through the floor at a time like this...

UWA  
AAAA  
AH-H!!  
A REAL  
GHOST  
REALLY  
SHOWED  
UPPP  
PP!!!

From now on, ghost stories are off limits!! Never again!!
